The Blue Book /www.thebluebook.com

Dear Courtney,

I wanted to take the opportunity to thank you for all of your help with setting up our Blue Book account and taking time out of your busy day to meet with us and discuss how everything works. We also would like to thank you for the continuous effort that you show us by reaching out via email and phone calls when opportunities arise which may be of interest to our business.

Because of your diligence and assistance, our business has acquired several significant contacts that have helped our company reach many others. As a result, our business is growing and we are very thankful for your help, knowledge and insight.

Sincerely,
