Subject: Blue Book Network

To: David Hernandez *Business Development Consultant*

E Contractors teamed up with The Blue Book Network in hopes to build one thing, our relationships, with subcontractors, with potential vendors and with the community. David and the entire Blue Book team has knocked it out the park, coordinating and producing networking events that are focused to an industry with the ability to connect us with new subcontractors and new vendors all alike, allowing us the opportunity to build the relationships that keep the industry moving forward. We greatly appreciate all the effort and hard work the Blue Book does in order to keep these resources open and well maintained, we look forward to working more with the Blue Book and any future opportunities.

Sincerely,

Willyann Paz
