

"We Exist to Build Dreams!"

Dear Subcontractor:

We would like to announce that RP Witt Construction, Inc. will be exclusively using BB-Bid, The Blue Book's bid management program, to facilitate the preconstruction process for all of our future projects.

RP Witt has identified *BB-Bid*, as the network of choice for subcontractors and suppliers based on ease of use and The Blue Book Network's commitment to deliver a secure platform for communicating with companies like yours. We will utilize the prequalification process within *BB-Bid*, so it is imperative that you keep your Blue Book Network Preview up-to-date and complete. We will also utilize *BB-Bids SyncWare* Online plan room to deliver all plans and specs during the preconstruction process.

You can be confident that all of the information provided to us by our private vendors will remain just that - private. We greatly value the relationship we have with our vendors. The private information that we request will be securely maintained in our database.

The *BB-Bid* Support Team, at 888-303-2243, is ready to help you with any questions you may have to ensure a smooth transition to this platform.

Please do not hesitate to contact our *BB-Bid* Support Team or my office at 904 425-6755 to discuss how your company can best work with us through *BB-Bid*.

Thank you,

A handwritten signature in blue ink, appearing to read "R. Paul Witt", is written over a light blue horizontal line.
