

Dear Subcontractor:

We would like to announce that R. W. Paul Construction, Inc. will be exclusively using BB-Bid to facilitate the preconstruction process for all of our future projects.

R. W. Paul Construction has identified *BB-Bid*, as the network of choice for subcontractors and suppliers based on ease of use and The Blue Book Network's commitment to deliver a secure platform for communicating with companies like yours. We will utilize the prequalification process within *BB-Bid*, so it is imperative that you-keep your Blue Book Network Preview up to date and complete. We will also utilize *BB-Bids SyncWare* Online plan room to deliver all plans and specs during the preconstruction process.

You can be confident that all of the information provided to us by our private vendors will remain just that - private. We greatly value the relationship we have with our vendors and the private information that we request of them and securely maintain it in our database.

The *BB-Bid* Support Team, at 888-303-2243, is ready to help you with any questions you may have to ensure a smooth transition to this platform.

Please do not hesitate to contact our *BB-Bid* Support Team or myself at 407-599-5858 to discuss how your company can best work with us through *BB-Bid*.

Thank you,
