To Whom it may concern,

Onicx Construction would like to personally thank Lisa Schmidt for her assistance during and leading up to the Blue Book Event in Tampa on June 16 2016. We cannot tell you how much her hard work was appreciated, as her efforts directly resulted in our success.

Lisa personally reached out to me and expressed that she sincerely thought this event would be beneficial to our company. We have attended other events in the past, but none compared to this year's Blue Book event. The attendee list was far larger than any other event we have attended, the event was organized, and the Blue Book personnel were pleasant, helpful and had smiles on their faces throughout the day.

We are very excited to have a solid new list of vendors and will definitely be attending the next Blue Book event.

Thank you again for all of your hard work. We look forward to exhibiting at your next event.

Sincerely,
