Cleaning

---

Hello Pam, I want to take this opportunity to thank you for all your support with Bluebook. We are a startup commercial cleaning company here in Orlando after recently relocating here from Connecticut. We have experience in this field but not in Florida so we had no clients, no exposure and no visibility.

We took a chance on Bluebook in May -(only 2 months ago) skeptically. I had no knowledge of how Bluebook worked but I heard awesome things about you from my Pastor who is a successful contractor himself and is also on Bluebook.

Well, everything he said about you is true Pam. You took time out to come by my house and teach me to navigate the website, you gave me valuable advice in terms of how to communicate with the contractors and you were extremely helpful. You cared! I could tell that you REALLY wanted us to be successful. I appreciate you.

I went to your event back in June and I got 2 prospects from it that yielded two jobs! Now, we have been awarded a BIG six figure contract and we start work on that soon!

I just want to let you know that Bluebook is great! Pam you are a blessing to work with and if you ever need to make a commercial I'M IN :). After just two short months this is the result!

We're thrilled!

Sincerely  
Kim Johnson
