Re: The Who's Who in Building & Construction Inaugural Issue
San Antonio-Austin/Spring 2016

Nancy

I received a call from one of my friends that works for one of my competitors. He mentioned he saw Sure Seal listed under the Waterproofing Contractors (pg 138 San Antonio-Austin /Spring 2016) . He had to call to confirm if this was the Christopher Tovar he knew. Of course it was, and he congratulated me to our success. I witnessed how the Blue Book worked for me.

I can truly say the Blue Book has helped promote Sure Seal. Thanks Nancy for all your hard work.
