Good Morning Ed,

I know the value in the assistance of regional reps, so I am glad to hear from you.

Your assistance with the trade areas of Demo, HVAC, Plumbing, Framing/Drywall/Finishing, Painting & Flooring would be greatly appreciated. I have three electrical contractors that will be bidding, however if you have someone specific please let me know.

This is open shop labor.

Do you handle the Howell MI area? If not do you know who does and if they could assist with the same trades and include Electrical?

Thanks Ed,
Patty
