Re: J.L. Moore, Inc.

Dear Ron:

J.L. Moore, Inc. uses The Blue Book's bb bid system to post projects in our area and other states. We use this system to find qualified commercial contractors to bid our projects. Besides Cleveland we have posted jobs in Michigan, Missouri, New York, Columbus and Toledo. As the person who posts the projects it makes it easy for me to keep track of who is seeing our projects by trade.

Very truly yours,

A handwritten signature in black ink, appearing to read 'Shannon D. Hill', is written over the typed name. The signature is fluid and cursive, with a large loop at the beginning.
