

To Whom It May Concern,

Performance Creative Resources, Inc. in Michigan, has enjoyed an excellent reputation since 1982 and has been a Blue Book Network member since 2010. Although Performance Creative Resources has a proven record of success, the Blue Book Network has added more exposure and opportunities allowing us to add additional work.

We have definitely received many opportunities and more business because of the Blue Book. Thank you.

Sincerely,

Peter Eichinger, President
