WOMAN OWN BUSINESS

10/16/2013

**TO: DAVID LINHART
BLUE BOOK**

FROM: JUDY CHRISTENSEN, MGR.

David:

Wanted to thank you for keeping us up to date with the different options and programs of The Blue Book.

I admit that it is expensive, but we cannot afford NOT to subscribe to The Blue Book. The Blue Book has given us many leads on jobs, but also with other General Contractors throughout the United States. The Blue Book is user friendly, and a great source to find jobs, contractors, plans etc.

ACB has been with The Blue Book for many years, and it has helped our business grow and helps us maintain our current contacts.

We at ACB, are a loyal customer and appreciate all of your hard work.
