Thanks,  
Tried it out, and it works! It's now bookmarked.

Garner

Garner,

Pleasure meeting with you yesterday. For other architects [www.bpmselect.com](http://www.bpmselect.com) is an invaluable tool to save time. Should you need to explore any of the other helpful tools in the future please call. I'm in Olympia twice a week and would welcome coming in again.

Sincerely,

Randy Orozco - Area Manager
