

***"Where Quality is the Difference"***

December 06, 2013

Jim,

I am writing you a quick note to let you know that we are very happy with our Blue Book Business Builder program! We were one of your first customers back in 2009!!! Over the years, we have met and worked for several gc's that have found us in the Blue Book.

We also are very happy with the way your network exposes PAINTING AMERICA to the entire industry. Many out of state relationships have been made because we are in the right place at the right time.....THE BLUE BOOK!

Keep up the good work!

Thanks again for helping PAINTING AMERICA grow our business!

Sincerely,

Cory Howard  
CEO
