

Dear Bluebook,

I hate to tell you this because I do not want my rates to go up! But, the Bluebook is such a great value! I was pleased with the value that the Bluebook brought to my business before and now after meeting with my new favorite Bluebook rep. - Geoff Turner, I see that this year the Bluebook has brought even more value to the table for contractors, property owners, property management companies, etc...! Geoff is my new rep and he did an awesome job going over all the new features of the Bluebook. Let's keep this our little secret, but the Bluebook is a fantastic service and an outstanding value. Thank you.
