

Darwin National Assurance Company
30 S. 17th St., Suite 810, Philadelphia, PA 19103

December 30, 2014

RE: ELS Construction, Inc. (the "Contractor")

To Whom it May Concern:

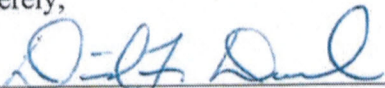

The Contractor we have referenced above is a highly regarded and valued surety account of Allied World Surety, which conducts its business through Allied World Insurance Company and Darwin National Assurance Company, each a U.S. Treasury-listed member company of the Allied World Assurance Group and each rated A (Excellent) Financial Size Category XV by A.M. Best's key rating guide.

Allied World Surety has expressed its willingness to provide bonding support to the Contractor on individual projects up to \$2,000,000 with an aggregate work program of \$4,000,000; however consideration beyond this amount could also be given.

In accordance with the normal practice, Allied World Surety's willingness to extend suretyship will be based upon its underwriting of the account at the time the Contractor requests the bonds. In addition, the execution of any final bonds are subject to a review of the contract documents by the Contractor and Allied World Surety. This would include contract terms, bond forms, and confirmation of adequate financing. At all times Allied World Surety retains the sole discretion to approve or decline any bid, performance, or payment bonds.

If we can provide any further assurances concerning the above contractor's technical expertise or bonding capacity, please do not hesitate to contact us at (650) 922-4170.

Sincerely,

David F. Druml, Attorney-In-Fact
