CALIFORNIA UNIFIED CERTIFICATION PROGRAM (CUCP)

January 13, 2014

Mr. David Flin, CEO
SF&S Cleaning Services LLC
1333 Evans Avenue, Suite 103
San Francisco, CA 94124

Subject: Disadvantaged Business Enterprise Certification
Firm ID: 41580

Dear Mr. Flin:

We are pleased to advise you that after careful review of your application and supporting documentation, the San Francisco Municipal Transportation Agency (SFMTA) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended.

Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS Codes form of the Application Package:

<u>NAICS Code</u>	<u>Description</u>
561720	Janitorial Services
561730	Landscaping Services
561790	Other Services to Buildings
561740	Carpent Cleaning Services

Your DBE certification is good for only for the above codes. Any additions and revisions must be submitted to the San Francisco Municipal Transportation Agency (SFMTA) for review and approval.

Near the end of your five-year certification period, your entire file will be reviewed in order to ascertain continued DBE certification status. You will be notified of the pending DBE status review and any documentation updates necessary several weeks prior to the renewal due date.

The Regulations also require annual updates during this five-year period. In order to assure continuing DBE status, you must submit annually a No Change Declaration form (which will be sent to you), along with supporting documentation. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue.

Also, should any changes occur that could affect your certification status prior to receipt of the DBE Declaration, such as changes in your firm's name, business/ mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify me immediately. DBE certification is subject to review at any time. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

You should know that all U.S. DOT recipients in California will honor your DBE certification status if your firm is certified by any one of the CUCP certifying agencies listed below:

- California Department of Transportation (Caltrans)
- Central Contra Costa Transit Authority (CCCTA)
- City of Fresno
- City of Los Angeles
- Los Angeles County Metropolitan Transportation Authority (METRO)
- Orange County Transportation Authority (OCTA)
- San Diego County Regional Airport Authority
- San Francisco Bay Area Rapid Transit District (BART)
- San Francisco International Airport
- San Francisco Municipal Transportation Agency (SFMTA)
- San Mateo County Transit District (SamTrans)/Peninsula Corridor Joint Powers Board (JPB)
- Santa Clara Valley Transportation Authority (VTA)
- Yolo County Transportation District (Yolobus)

Congratulations, and thank you for your interest in the DBE Program. I wish you every business success and look forward to hearing from you if I may be of any assistance to you in this regard.

Sincerely,

Virginia Harmon, Senior Manager
DBE Liaison
