**Re: SAFETY PREQUALIFICATION APPROVAL**

Dear Scott Choppin:

Thank you for submitting your firm's Informal (Safety) Prequalification Questionnaire. After reviewing your submittals, your firm's safety prequalification has been approved.

**Safety prequalification approval allows your firm to bid on Informal (A & B Letter) contracts, Job Order Contracts (JOC) task orders, and other LAUSD contracts for which safety prequalification is required.**

Your informal (safety) prequalification expires on **February 24, 2017** and subject to no changes in the information provided by your firm at the time of submission or to any violations of the terms prescribed in the approved safety prequalification. If there are any changes, your firm must inform the Facilities Construction Contracts office about the changes immediately.

Please be aware that you must have Workers' Compensation, General Liability, and Commercial Automobile insurance coverage at the time of your bid on a District contract as described in the "Construction Bidder's Handbook."

**NOTE:** The California Department of Industrial Relations (DIR), has the following new requirements:

- to list only registered contractors and subcontractors on bids effective March 1, 2015
- to only use registered contractors and subcontractors on public works projects awarded on or after April 1, 2015.

For information about the DIR Public Works Contractor Registration, visit the DIR web site at <http://www.dir.ca.gov/Public-Works/PublicWorks.html>.

If you have any questions regarding your firm's prequalification status, please contact the Prequalification Unit at (213) 241-2651 or by email at [prequalification@laschools.org](mailto:prequalification@laschools.org).
