Re: Demolition project at The Salvation Army Bell Shelter, 5600 Rickenbacker Rd, Bell, CA

Dear Scott:

On behalf of The Salvation Army Bell Shelter, I wanted to write this letter to let you know that we are very pleased with the work that S.K. Choppin Demolition completed for us last month. The demolition of the three mobile home structures went smoothly and your team communicated well and worked diligently to complete its work to our great satisfaction.

We also appreciate the high level of care you demonstrated in moving the statue donated by Judge Harry Pregerson, which we hope to reinstall at a future date on the property.

We look forward to building a new affordable housing community on this site and you have helped us move towards The Salvation Army's goal of providing permanent supportive housing units to homeless adults in need of housing.

Thank you for your efforts.

Sincerely,

Steve Lytle
