

To Whom It May Concern,

CB Fence was a subcontractor to JMWilliams Contractors on the construction of a new 85,000 sf self-storage facility in Arvada, CO. CB Fence performed their work in an extremely professional and timely manner. Rob Brouillete was a pleasure to deal with, and truly was an asset to us in completing this project. CB Fence was properly staffed at all times, and supervised throughout the duration of their component of the project. JMWilliams would highly recommend Rob and his team, and we look forward to working with them again on future projects.

Sincerely,
