

Testimonials

Brook - Courteous, personable, helpful, no pressure, prompt & knowledgeable. Nice to our dogs.
Christianson, Arvada, CO

We love our awning very much. Works smoothly & especially attractive. We will get much more use out of our deck this summer.
Bob, Arvada, CO

The installers were prompt, efficient, cleaned up afterward and spent time to teach us the important aspects of using the remote and motion sensor.
Mark, Aspen, CO

Karen - We felt you gave us special attention. From the time we purchased our first awning your service has been excellent and appreciated.
Frank, Aurora, CO

Very pleased and professional staff. Much more helpful and attentive than our previous awning company years ago. Would recommend SunSaver.
Paul, Aurora, CO

Karen was very informed, helpful and we felt no pressure. The installers were easy to work with. We felt like we bought quality from a reputable company.
Dan, Boulder, CO

Lisa did a great job presenting the awning in a very professional manner. Her follow-up was great. The awning added an outdoor living space that we could not use in the summer.
Crane, Broomfield, CO

We were very pleased with the way Dawne worked with us. We felt informed and no pressure. We are very happy and we can now use our deck in the afternoon.
Jerry, Castle Rock, CO

Karen - I was going to call you regarding how pleased we were with our experience doing business with your company and then this questionnaire arrived. Love the look and material. Our patio looks truly complete. We love the awning and all of team SunSaver.
Roberta, Centennial, CO

SunSaver staff was very professional, punctual and great to work with. The installers came up with a creative, affordable solution to a difficult installation. Looks good and solid construction.
Tim, Colorado Springs, CO

SunSaver Retractable Awnings and Shade company is professional and easy to work with. Brook was very patient with our homeowners approval requirements.
Ralph, Denver, CO

Karen did a great job of knowing her product and the competitors.
Donna, Golden, CO

Karen was very personable, generous and easy to work with. Great guys, very professional and did a good job cleaning up. Looks good, works well. I love the high wind sensor for retrieving the awning when windy.
Chuck, Highlands Ranch, CO

What a good job you did and I commend you on your follow-up. I'd recommend you to anyone who asked. Looks terrific.
Marilyn, Littleton, CO

Dawne was very attentive without being pushy - knowledgeable. The installers were excellent. Very thorough. Fast. Polite. Cleaned up afterwards.
Jim, Longmont, CO

We loved David!! A pleasure to work with on this project. Follow-up was superb. Can't wait for the sun to shine more to use it.
Shirley, Louisville, CO

Kept me alerted to ETA. Worked efficiently and left my patio in pre-work condition. Very satisfied. Makes the patio more user friendly.
Barbara, Parker, CO

Jimmy was very knowledgeable regarding product and conducted all correspondence on time and in a professional manner.
Virginia, Steamboat Springs, CO

SunSaver gets good reviews online. Seems of high quality. Good follow-up. A lot more expensive than Costco, but SunSaver came in less expensive than other local awning companies that were selling awnings with inferior products.
