RE: E. Alves Cleaning Proposal for Marina Bay

Dear Mr. Riordan,

It my pleasure to provide this letter of recommendation for Eduarda Alves, owner of E Alves Cleaning Services for her proposal for the Residences at Marina Bay project.

Ms. Alves' company was contracted with Callahan Construction on the 240 Sidney Street project in Cambridge, Ma last year. Her company was responsive to our requests when units were ready to be cleaned. Her workers were professional and left the units spotless.

E Alves Cleaning Services has had a good relationship with Callahan, and I expect that relationship to continue at Marina Bay.

Please strongly consider E Alves Cleaning Services for your cleaning needs at Marina Bay.

Should you need any further information, please get in touch.

Sincerely,

Michael King
Assistant Project Manager
Callahan Construction
