

“I wish to extend our appreciation to you and your organization for the fast response to our contactor failure. Our people were amazed by the quick reaction and the dedication of your service personnel to get our facility operable. Please express our gratitude for a job well done to each of your personnel responding to our emergency! It is rare to find a company of people who are willing to make the sacrifices necessary for these achievements. MRC Electric & Signs got the job completed on time and under budget. The next time I need an electrician or sign company I'll be sure to call again. You have a customer for life!”
