RE: David Hatton, Hatton Painting Co., LLC

To Whom It May Concern:

In our experience working with David Hatton, owner of Hatton Painting Co., LLC, he has always been a true professional. He provides thorough bids in a timely manner, and finishes the job on schedule. Though Hatton Painting's bids don't always come in as the least expensive, David is always sure to do a high-quality job that his clients and customers will be satisfied with. On one particular job, while painting the exterior of a home, he brought to our attention that there was a problem with a set of exterior stairs. While he could have done strictly what he was hired to do, he had the consideration to inform us about the problem and even made time in his busy schedule to replace the stairs before painting them, going above and beyond for the final product. I would highly recommend David Hatton to anyone for interior and exterior paint jobs. Feel free to call our office if you would like to discuss Mr. Hatton further.

Thank You,
