Re: J. P. Mascaro & Sons

To Whom It May Concern:

J. P. Mascaro & Sons is our waste removal and recycling service provider. The University selected them because of their industry strengths, sustainability, and continued forward thinking and reinvestment into a demanding industry.

Although we have had them for only about one year, their excellent service exceeds expectations.

I would highly recommend J. P. Mascaro & Sons for your institution's MSW/Recycling services.

Sincerely,
