To Whom it May Concern,

In my role as project Architect, I worked with Wade Bozeman, Chief Operations Officer, of Pyramid Contracting on a project for Richland School District Two, "Classroom Additions to Bookman and Killian Elementary Schools". Wade has a good eye for detail and quality in construction and I found him responsive to schedule and special circumstances (phasing, working on occupied structures, etc.). I consider him highly capable and qualified and I hope to have the opportunity to work with him again in the future.

Sincerely,

Gary W. Brown, AIA
