PYRAMID CONTRACTING

RE: Office Remodeling

Bobby,

I just wanted to take a moment and thank you. Our office renovations look incredible and the remodel went so smooth. Your entire staff delivered on what they said, when they said and was very professional. As you know, in healthcare we can't close our doors because our patients need us everyday. I know this made your job more difficult, but the process couldn't have gone better. I look forward to working with you in the future.

Yours in better health,

Dr. Joseph Carew
