As a long time user of The Blue Book Building & Construction Network, I have saved a tremendous amount of time when searching for subcontractors thru The Blue Book.

They have now added a feature (ProView) which allows me to quickly identify and qualify potential sub-contractors for our future projects.

While everyone has a ProView not all are up to date, and finding current information about your credentials is valuable to me as a General Contractor.

I would recommend that you reach out to Jim Hill your local Blue Book Network Business Partner to update this critical information. You can contact him at 262-569-1890 or email at [jimhill@mail.thebluebook.com](mailto:jimhill@mail.thebluebook.com).

Thank you for your cooperation and we look forward to working with your company in the future.

Sincerely,

Jane Haefner
