Holy Cow!

Our High School campus has never looked so beautiful!

The lawn is in great shape and beautifully mowed!

I need to share that at the kick off of school and getting ready for opening days.....I watched closely how much pride the men took in their work.....the mulch was laid so well, the MS shrubs were clipped to perfection. To be honest I thought I was at Disney.

Our football field has received so many compliments from our community. It leaves such a great impression on all who attend our events.

Please extend a huge thank you to the Preferred staff it is clear that they do everything with PRIDE!

Great move going to Preferred lawn care!

Thank you,

Jennifer
