Re: **J-5 Equestrian / Valiente Polo-Barn- Wellington, FL**

Dear Frank,

We would like to take this opportunity to personally thank you and the Victory Concrete Contractors, Inc. team for your time and effort at the J-5 Equestrian / Valiente Polo- Barn project in Wellington, FL. The quality of your workmanship in the field and support from your office staff was vital to the overall success of this project.

We recognized an impressive level of preparation from your team at the initial kick-off meeting and throughout various site meetings. This project progressed smoothly due to your excellent attention to detail, ability to be proactive when changes were requested and effective coordination working with other trades.

It was a pleasure to successfully partner with Victory Concrete Contractors, Inc. and we look forward to working with your team in the future.

Sincerely,

Guy Flora
Vice President, Director of Construction
