RE: Letter of Recommendation

Attn: Brian Aderhold, Kari Aderhold

Brian and Kari

We here at Vantage Properties want to congratulate you and your team for another outstanding project. Vantage Properties truly appreciates your team's hard work to make our projects a tremendous success. We could not be happier with the service and product your team provides to us on all of our projects.

Your team is always a pleasure to work with on our developments. Your installers are consummate professionals. They sincerely pay attention to the small details many other contractors often disregard. You are truly leaders in your industry and we will always call on Aderhold Roofing and Construction for all of our projects.

I would highly recommend you and your team to any contractor or developer and we look forward to many more projects in the future with your team.

Respectfully,

Tim Harvey
