

# Testimonials

**Read what Custom Runs customers have to say about our services!**

*“CUSTOM RUNS provides professional & quality service and does it fast! We chose the best for the job!”*

**David Ryzewski, -Arlington, VA**

**Systems Installed: POE devices, Wireless Surround Sound system**

---

*“The work was top notch and aesthetically pleasing. I already have another appointment next week to get an Ethernet cable run to a difficult to get to location!”*

**Tina Campbell, -Windsor Mill, MD**

**Systems Installed: LED mount with shelf and custom wiring**

---

*“Custom Runs was very timely, clean, very professional and very helpful in explaining how everything worked... My expectations were exceeded! The after sale service is without question better than I have ever received from any technical company... My experience was outstanding. I recommend them highly.”*

**Craig S.- Roadway Sandwich Shop, -Laurel, MD**

**Systems Installed: 8 camera system with DVR and POS system**

---

*“Everything went great, we are very happy with the result. The owner Muss was patient, paid attention to details and did the job perfectly.”*

**H. Ching-Yung, -Randallstown, MD**

**Systems Installed: Ethernet wiring, LED mount**

---

“Installation was on time and on budget. Very professional and maintained a clean work area... They met my expectations regarding products and installation. Care after the project was completed exceeded my expectations... I was very satisfied with the overall experience. I would refer Custom Runs to my friends and family and use them myself for future projects.”

**Aaron Harchet, -Sensible Electronics**

**Systems Installed: Whole house store audio, 12 camera security system**
