Re: NJ UCP Certification of 5 Star Contractors, LLC

Dear Ms. Matos:

**Congratulations!** We are pleased to inform you that your company has been found eligible for certification as a Disadvantaged Business Enterprise (DBE) by NJ TRANSIT on behalf of the New Jersey Unified Certification Program (NJ UCP).

Your certification will remain in effect provided your company continues to meet the eligibility criteria established by Federal Regulation Title 49 CFR Part 26. On an annual basis, you must provide an affidavit and supporting documentation affirming that there have been no changes within your company that would affect your current eligibility as a DBE. It is your responsibility to notify this office in writing within 30 days of any changes. Failure to do so will result in a decertification process. **Your certification is renewable every three years from your expiration date.**

**Please note this certification letter is to be utilized in lieu of NJ TRANSIT's Certification Certificate. Please save this letter as evidence of your firm's DBE Certification under the NJ UCP.**

Your company's NJ UCP Identification number is **0044983F**  
Certification Anniversary Date - **Annually on October 27<sup>th</sup>**

The following table lists the North American Industry Classification System (NAICS) code(s) and classification(s) that have been assigned to your company in accordance with the service(s) your company render(s) and the business description giving details to the specific services your firm provides.

**Business Description:** Electrical contractor for maintenance, repair, renovations and new construction of residential and commercial properties. Services include conduit & wiring cable electrical installation, low voltage lighting systems, circuit interrupter breaker panels, commercial fire alarms systems, ticket vending machine installation, and residential remodelers for building renovations.
