Dear Tom:

I enclose my check for the complete payment on the above-captioned job. I would like to thank you for the professionalism both you and your crew showed during the work performed. The job was done with great care and expertise and I was especially pleased with the opportunity to consult with Lisa, the Sherwin-Williams color consultant, who did a very fine job of restructuring my thought process.

Thanks again for the fine work and I will be sure to provide a recommendation. If you would ever like to speak to me concerning my full analysis of the job, given my painting background, I would be pleased to speak with you about it as well.

Sincerely,

GENE A. FOEHL
