"I had the pleasure of working with Adolfo and his team last year when I moved into my new house. There was a considerable amount of work to be done on the house and it was finished efficiently and elegantly in 3 months' time. This included new counter tops, paint, scraping ceilings, electrical, tile, plumbing, etc. Adolfo showed up to work every day on time and worked full days with very little breaks. Whenever I had questions or even the smallest complaint, Adolfo would address the issues immediately. I used high end materials in many parts of the house and they treated all items with care. I have since used Adolfo and his team for other jobs and will continue to do so." ~**Rodney Ferrell**

"Adolfo is not only dedicated to his work; he is a consistent and reliable person. He treated my home as his own. I have hired him for 2 full remodels, twice in 6 years." ~**Rob Weiss**

"Adolfo's estimate was competitively priced, his work was excellent quality, and he completed my renovation on time—even with additions and changes to the plans. He stands by his work and is always pleasant to deal with. I highly recommend Adolfo as a contractor for any size project. In fact, I hope to hire him again when I buy my next home." ~**Mylene Pilutik**
