

VAN DER MERWE INC.

8256 Dunham Station Drive, Tampa, Fl - 33647 727-687-3122

Reference

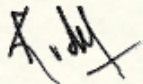

To whom it may concern, we at **Van Der Merwe Inc.** , a Construction Management company, operating across the state of Florida, has contracted the services of **True Power Solutions** for the last year to date, and on various occasions of which included medium to large contracts, and have been provided with superior service, beyond our expectations.

True Power Solutions has proven it's service through beyond regular reliability. On every occasion we had the pleasure of receiving prompt response and immediate assistance, mostly within the same day. We have not experienced this kind of reliability with other Electrical Contractors in the region and it was very welcoming receiving such service. Not to mention the exceptional quality of work and the convenience of receiving full descriptions of every piece of equipment and materials proposed for every job. At the same time pricing was below going rate and we have received various discounted rates on larger contracts.

I can strongly recommend True Power Solutions to any commercial or residential owners. Omer and his team has re-introduced exceptional service of which is a rarity in the construction industry.

Please contact me for any further information

Yours Truly
