RE: Reference Letter for Seabreeze Electric

This letter is written as a strong recommendation for Seabreeze Electric and Lighting Inc. Seabreeze Electric handled themselves with the highest possible level of integrity and have been fair and honest to deal with through every job. I found Steven Faircloth to be proactive, completing projects on schedule, closing out inspections and permitting as needed and making any changes or adjustments quickly and efficiently. There have been no return trips for warranty work after completion. Steven and his team are very professional and I would recommend them for any facility, maintenance or fix it project you may have. Steven and his team have exceeded our expectations and we will be sure to use them again in the future.

Thank you,

Michelle Riggs
Operations Manager
