

## Testimonials

-by A. Perez

I got service right away & didn't have to wait. What do you mean on time? How about early? Great service all the way around. One Hour is the only one to call.

---

-by J. Karabochas

Your company stands behind everything you tell the public. I would always recommend you as a 1st class company.

---

-by M. Decia

Your two technicians could not have been any more pleasant. I would recommend them to anyone. They did excellent work.

---

-by M. Siangio

Your team is highly commendable. They all gave 110% customer service. They were all very knowledgeable and patient. They left the place clean and in order. Thank you.

---

-by S. Rossi

This is a company that shows real integrity & pride in their work! I will recommend them to all of my friends gladly. The information they give & quality of their work is impeccable- Thank you!

---

-by M. Tyson

Best service we have had all year. Your employees were exceptional. On time, professional, great work. I have already recommended you.

---

-by R & P Hurley

All of your employees provided excellent service, 5 Star Employees. The installers were a delight to have in our home. The technician was considerate, friendly and very helpful. We will recommend you to our friends and family. Thank you.

---

-by R. Bucher

Everyone was great. The work was fantastic. Cleanup was good. System explanation was good. Even the price was the best of 3 estimates.

---

-by W. Harrison

I was impressed by the complete knowledge that all of your employees have. Also, they impressed me the way all private property was protected. All work was top notch.

---

-by A. Miles

Everyone was wonderful, efficient, and they have to put up with my dogs and they were great with them. Then I had to call after it was installed due to a faulty thermostat and the tech was very thoughtful—they need to be congratulated.

---

-by G. & M. Grotz

Chad and Kevin are excellent representatives for your company. Clean, courteous and dedicated to doing a good job.

---

-by H. North

Your salesman was outstanding, helpful and fun to have in our home. No high pressure, answered our questions and his statements agreed with the performance of the installation crew in all respects. Your installers were outstanding, helpful, a delight to have around. Their work was neat, well organized and completed promptly. They were very careful in explaining the furnace and thermostat.

---

-by W. Stevenson

Your salesman & especially your two technicians were not just professional, but also very knowledgeable and hardworking and innovative in their approach. They were excellent.

---

-by K. Tandy

I was very impressed with the whole operation from beginning to end. Everyone was so businesslike. Very, very clean– just great.
