Dear Mr. Grunewald:

With another successful project behind us, I wanted to take the time to let you know what a pleasure it has been working with you and your entire team at E. Wilson Corp. As I have said many times, my experiences working with this firm continue to be excellent and I am very pleased to have found a Drywall Contractor Company that I can count on for our commercial and residential development projects.

I thank you for your hard work, especially with respect to taking care of my client's/tenant's needs and individual concerns.  
As always, I look forward to working with you again.

Sincerely,
