Dear Mr. Carty:

We are pleased to inform you that The Port Authority of NY & NJ has re-evaluated your business and determined that it continues to be eligible to participate in the agency's Small Business Enterprise (SBE) Program. **N. Carty and Sons Contracting Corp.** is currently qualified in the specialty and range noted above and remains in the Port Authority's directory of certified MWBEs, which can be accessed at <https://panynj.diversitysoftware.com/FrontEnd/SearchCertifiedDirectory>.

However, the firm's updated construction references are under review by our Engineering Department. If as a result, there are changes to **N. Carty and Sons Contracting Corp.** qualification status, you will be notified under a separate letter.

Please be advised that we periodically review all certifications and reserve the right to decertify any firm that no longer meets our guidelines. You must notify the Office of Business Diversity and Civil Rights in writing within 30 days of any significant changes to your business. These include, but are not limited to, a change of officers, directors, location and business name. Failure to advise us of these changes can result in decertification of your business.

This certification will remain in effect for three years or until April 3, 2022, after which you must submit a new SBE recertification application with supporting documentation. The application can be accessed from our website: www.panynjSD.com.

If you have any questions regarding your certification, you may contact me at (201) 395-3939 or via email at ybautista@panynj.gov.
