To Whom It May Concern;

I have had the pleasure of working with DIRTWORKS Contracting on a number of projects, both currently and in the recent past.

I have found the communication with both Kerry and Sam to be straight-forward and honest, and their pricing of jobs and/or change orders to be very fair.

Their crews perform a variety of utility and earthwork tasks to a high standard, and in a timely manner.

I intend to continue using DIRTWORKS on future projects, and would definitely recommend them to anyone requiring quality utility and earthwork services.

Sincerely,

BTski
