To Whom It May Concern:

For the past seven years, DP Marketing Strategies has retained the services of Woodley Contracting, Inc. for multiple construction and renovation projects including roofing, plumbing, concrete masonry, interior painting, etc. for our rental properties, personal home and business facilities.

We have paid over \$50,000 in material and labor for these projects.

We trust Mr. Freddie Woodley and have found him to be efficient, reliable and a pleasure to work with. I strongly recommend Woodley Contracting, Inc. for their superior home and business renovation services.

Sincerely,

Diane Palmer
President
