Re: Subsurface Specialist, Inc.

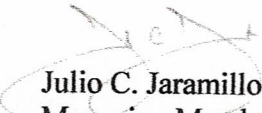

Dear Mr. King:

I would like to take this opportunity on behalf of Evergreen Communities, LLC to thank you for your rapid response to our recent request for services at one of our New York communities.

Your crew used their world class technology and experience to resolve our significant "Revenue Loss" as a result of several leaks that were located accurately and efficiently. Your excellent service and extensive knowledge of underground infrastructure systems enabled us to save a considerable amount of money at this and other communities throughout our portfolio.

We appreciate the manner in which you do business and we highly recommend you and your firm for any work required on potable or sanitary systems. Please feel free to contact me with questions at the number listed below.

Sincerely,

  
Julio C. Jaramillo  
Managing Member
