José has worked for me for about ten years. He has always completed my projects on-time or early and always on-budget.

José is dependable, reliable, trustworthy, and easy to work with. He knows how to manage complicated school district projects and emergency response actions. He always goes above and beyond the requirements to ensure my projects are completed on-time, on-budget, and safely.

I recommend José for any of your projects, both large and small.

Please call if you would like more information about his excellent work ethics. José is a team player, he can work successfully with all types of personalities, and in all types of situations.

Thank you,

Melanie Rhea, PMP
