To Whom It May Concern:

Re: Jose Velasquez

Jose Velasquez worked for Action Environmental from September 14, 1998 to January 13, 2005. During his employ with Action, Jose worked on over 1,200 asbestos removal and demolition projects. Jose work for two years on the Goleta School District project, where he ran a 10+ man crew and also help supervise another project a few miles away.

Jose was a valued employee and had earned full respect from his peers and upper management and will benefits any company that employees his services.

Sincerely,
