

Larry Winter Construction

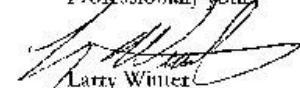

FROM THE DESK OF
LARRY WINTER

To Whom It May Concern:

I consider it an honor and pleasure to recommend NK Cabinets to any customer, contractor, or home owner who is looking for high quality cabinet work. I have been using NK Cabinets for almost 10 years. I specialize in high end medical and dental offices. And occasionally home remodels. No matter the project, wood veneer or laminate cabinetry the results are always outstanding. NK Cabinets never walks away until my customers are totally satisfied with the product we have provided.

At Larry Winter Construction customer satisfaction is always first on our minds not the money, and NK Cabinets shares in this philosophy. I always have the confidence with NK Cabinets that there cabinetry will be a focal point of pride on all of my projects.

Professionally Yours

Larry Winter
