To Whom It May Concern,

Our company owns and manages over a million and a half square feet of commercial space consisting of office, medical and retail shopping centers. We have had the pleasure of working with Norik for over ten years. His professionalism, integrity and knowledge is evident in each and every time we work with him. He is pleasant to work with and shows a great deal of care and attention on every project. We use him exclusively for all our millwork.

I would without hesitation, recommend Norik and N.K. Cabinets.

Please feel free to contact me should you have any further questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Leuffen".
