

First Housing would like to Thank “The Blue Book Network” for holding an amazing event on Thursday June 8th at the Georgia International Convention Center.

It was extremely successful for us and we cannot wait to return to the Atlanta region to work with the many Contractors and Subcontractors we met during the day.

We had a great time thanks to you all and look forward to working with many of you in the near future.

Next up for First Housing, The Who’s Who Showcase in Sunrise on June 15th. If you are attending please stop by our booth – we would love to meet you and make some new connections.
