Steel Nation's Michele Palma Named Director at ABGPA

Southpointe, PA – Michele Palma, Administrative/Marketing Coordinator at Steel Nation, has been appointed to the Board of Directors at the Appalachian Basin Gas Processing Association. As a volunteer for the past two years, Michele has been instrumental in helping the ABGPA to convene members of the energy sector for roundtable discussions, forums, and symposiums. With her two-year appointment as a member of the board, Michele will utilize her skills in logistics and coordination to organize and oversee an array of ABGPA events, from conferences and technical presentations, to golf tournaments, training sessions, luncheons, and scholarship drives.

“It’s an honor to be appointed a member of the Board of Directors,” said Michele. “The ABGPA is a vital organization with great people who are very active in the local Midstream Industry.”

Steel Nation President, Mark Caskey said, “We’re very proud of Michele. She’s a hard-working detail-oriented professional, who I have no doubt will be an asset to ABGPA Midstream.”

Appalachian Basin GPA Midstream (ABGPA Midstream) is a professional organization committed to serve as a forum for exchanging ideas and knowledge related to the Midstream Industry and providing opportunities for social interaction with others involved in the industry in the local Appalachian region. Founded in 2013, ABGPA Midstream is a 501(c)(6) not-for-profit organization.

[Steel Nation](#) is a proud Washington, PA-based corporation working primarily in the energy sector of North America. Steel Nation is the leading designer/builder of transmission, storage and compression facilities, for the mid-stream and transmission operations of the Oil & Gas industry throughout the Marcellus Shale, Utica Shale and other American reserves.
