

Fairways for Airways
Celebrity Golf Classic

Partnership Opportunities

Fairways for Airways

Join us for the Inaugural Dayton Fairways for Airways celebrity golf classic to benefit the Jovante Woods Foundation.

Golf with the Stars and spend the day with celebrities. Past guests included Ickey Woods, Archie Griffin, Solomon Wilcots, Art Still, Pete Johnson, Yancey Thigpin, Anthony Munoz, and many more.

This one of a kind tournament day allows you to meet and mingle with the celebrity golfers all day long. On the course, you can challenge yourself to win contests such as longest drive, closest to the pin, and the hole-in-one. At the end of the day, take advantage of NCR's locker room facilities and relax at the clubhouse. You can also place final bids on the day's silent auction items and preview of the evening's live auction. The tournament day will conclude with a cocktail reception, dinner, and awards.

This one of a kind golfing experience is certain to attract golfers and sports enthusiasts from around the region. Please join us for this very special day that will benefit the programs and services of the Jovante Woods Foundation.

Join the Fight

To improve our fight, we need your support. Asthma remains one of the most prevalent lung diseases, affecting nearly 24.6 million Americans, including 7.1 million children. There is no cure for asthma, but it is manageable and treatable. Asthma is one of the main reasons that students miss school – more than 10.5 million lost school days every year. The Lung Association has been leading the fight against asthma for many years.

The statistics are staggering:

- Nearly 4,000 lives are cut short by this disease each year.
- The mortality rate for children 19 and under has risen 80% since 1980.
- Asthma has become an epidemic. It accounts for nearly 25% of all emergency room visits.
- Information and education regarding asthma is woefully sparse.

By supporting the Jovante Woods Foundation you will help improve the quality of life for those who struggle to breathe and ultimately save lives.

With your support, we are fighting for air.

JovanteWoodsFoundation.org

The Jovante Woods Foundation

On August 14th, 2010, Jovante Woods died suddenly from a severe asthma attack. Because of their loss, Jovante's parents, Ickey and Chandra, were inspired to educate and help prevent others from experiencing the loss of a loved one.

The mission of the Jovante Woods Foundation is three-fold:

Asthma Research & Awareness

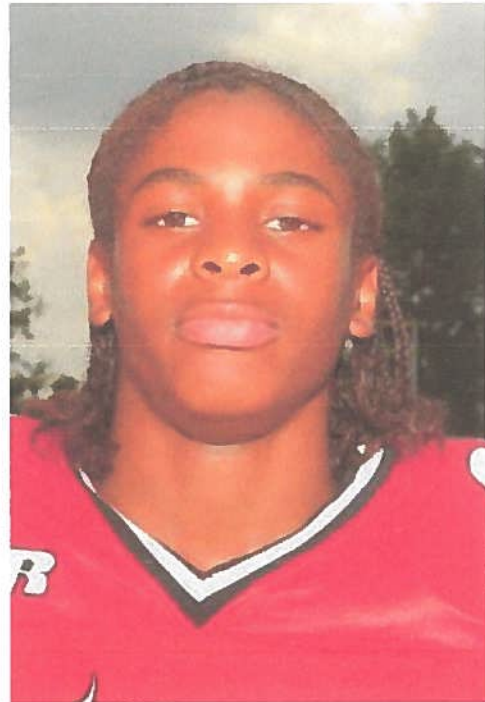

Establishing an ongoing endowment in Jovante's name to help fund critical asthma research. The foundation also works to bring asthma awareness to the community, nation and world, and to provide asthma screenings and education to families in need.

Organ Donation

Educate all on the importance of this gift of life.

Education

The "3.8 to be Great" scholarship fund awards two scholarships to a male and female athlete with a 3.8 or greater GPA.

We will breathe easier when the air in every American community is clean and healthy.

We will breathe easier when people are free from the addictive grip of cigarettes and the debilitating effects of lung disease.

We will breathe easier when the air in our public spaces and workplaces is clear of secondhand smoke.

We will breathe easier when children no longer battle airborne poisons or fear an asthma attack.

Until then, we are fighting for air.
