RE: Customer Reference – K2 Contracting, LLC

To Whom It May Concern:

I have known the owner of K2 Contracting LLC, James Blackburn, for eight years. We have worked as a subcontractor for Mr. Blackburn. His positive “can do” attitude has remained the same throughout all those years. He can manage many subcontractors’ contracts, scheduling, & payments on any single project with complete honesty. All of those that work directly under the leadership of Mr. Blackburn know to expect a job done correctly the 1st time.

As far as a credit reference is concerned, Ceramic Tile Consultants, Inc. will start a project for K2 Contracting LLC with as little as a text or email approval of a proposal, knowing a contract or purchase order is on the way. Usually a contract is sent to us in a timely manner. Payments on completed projects are also made on time if not early.

Sincerely
